

## COMPANY PROFILE

### Our Introduction

Swastik Enterprises is a well-established name in industry of agro commodities offering a wide range of products and having experience of over three decades.

We are prominently recognized as a trader based in central India dealing in plethora of agri-products. We have also acquired IEC Number and APEDA registration and have entered into import export domain as well. We are having **NOP (US Organic)** and **NPOP (India Organic)** trade certifications (from CB by name of TQ Cert) and **COR (Canada Organic)** trade certifications (from Biocert) for trading in Organic agri commodities and we are also **registered with US FDA, FIEO**. We are registered in Krishi Upaj Mandi Samiti of Indore and Ashta for purchase & sale of agri-produce brought to grain market by farmers. We deal in agri products in following categories: animal feed raw materials, oil seeds, pulses, grains, beans, spices & vegetables.

### Our Team

Our company is a proprietorship firm with proprietor Mr. Manohar Jindal (BE Mechanical, GEC Ujjain) who is engaged in this trade since 1981. He is supported in business by family members viz: **Mr. Chandresh Jindal (BE Electrical, MBA Finance from IBS Hyderabad)**, Mrs. Shubhangi Jindal (M. Com, MBA Finance & Marketing from MIT SOB Pune) and Mr. Anuj Jindal (BE Computing from Staffordshire University, UK).

We are supported by a diligent team which comprises of procurement agents, quality controllers, logistics managers, marketing professionals and strong back office support. These individuals have great experience about the different processes related to their aspect of trade and work in total coordination with all the internal functions of the organization. It is because of our team that we are able to get best quality products and make timely deliveries.

### Our Resources

We have many resources that enable us to operate in the best way. We have associations with reputed vendors in the market to get best products. Our meticulous team of professionals, works in total coordination and stay always connected to the vendors and clients to assure both quality and timely delivery.
